when lucene first hit the scene five years ago it was nothing short of amazing by using this open source highly scalable super fast search engine developers could integrate search into applications quickly and efficiently a lot has changed since then search has grown from a nice to have feature into an indispensable part of most enterprise applications lucene now powers search in diverse companies including akamai netflix linkedin technorati hotjobs epiphany fedex mayo clinic mit new scientist magazine and many others some things remain the same though lucene

still delivers high performance search features in a disarmingly easy to use api due to its vibrant and diverse open source community of developers and users lucene is relentlessly improving with evolutions to apis significant new features such as payloads and a huge increase as much as 8x in indexing speed with lucene 2.3 and with clear writing reusable examples and unmatched advice on best practices lucene in action second edition is still the definitive guide to developing with lucene purchase of the print book comes with an offer of a free pdf epub and kindle ebook from manning also available is all code from the book

oliver taplin's seminal study was revolutionary in drawing out the significance of stage action in greek tragedy at a time when plays were often read purely as texts rather than understood as performances professor taplin explores nine plays including aeschylus agamemnon and sophocles oedipus the king the details of theatrical techniques and stage directions used by playwrights to highlight key moments are drawn out and related to the meaning of each play as a whole with extensive translated quotations the essential unity of action and speech in greek tragedy is demonstrated now firmly established as a classic text greek tragedy in action is even more relevant today when performances of greek tragedies and plays inspired by them have had such an extraordinary revival around the world

written by leading european expert domènec melé this is the ideal companion for students determined to make the business world a more ethical and moral place
